FI OPERATIONS STATUS REPORT

11P
Oct 68 - 31 Dec 68

STATION/BASE	Hamburg	REPORT NO.	68-02
AGENT'S CRYPT	CAINFER-1	DATE OF POA/XXX	
PERIOD COVERED	1 October 1968	TO	31 December 1968
CASE OFFICER TIME	5 hours	COSTS	\$ 92
	(monthly)		(during period)

BACKGROUND AND ACCESS OF AGENT: Subject is a former high-ranking SS-officer who offered his services as a penetration asset of the National Democratic Party (NPD). His background during the Nazi period makes him attractive to the NPD. He has good connections in the local NPD organization of his city, and it is hoped that, once an active member of the party, he will have access to the party's national leadership.

TYPE OF AGENT COMMUNICATIONS: The agent has a Hamburg Base operational telephone number through which he can reach the case officer. The case officer can call Subject at his office. No other means of communications exist or are necessary.

TARGETING: (including OD citation) Priority B, Subparagraph A. Subject will be targeted against the national leadership of the NPD. Should the NPD be dissolved, Subject will be targeted against the leadership of the right-wing extreme, in general.

OPERATIONAL DEVELOPMENTS: (include security aspects and training) Subject's bonafides were established in October 1968 through GSWIRL examination and through an examination by the German Station medical officer. There now appears to be no likelihood that Subject's past will ever be brought up in German courts again. PRQ Part I data and a signed secrecy agreement were obtained from Subject in November 1968, and he gave us a firm commitment to become active in the NPD at the earliest opportunity. The next meeting with Subject will be held in mid-January 1969, and meetings will be held on a regular and frequent basis thereafter. Subject's younger daughter is fully witting of his contact with us, but there appears to be no security problems, since she is discreet and fully approves of the contact.

ACTION TAKEN PER PREVIOUS HEADQUARTERS REVIEW: the contact.

GSWIRL examination was administered in October 1968.

PRODUCTION: (include significant operational information) one during this period.

EVALUATION AND RECOMMENDATIONS:

FIELD: Since Subject's bonafides have now been established and he has expressed his complete willingness to cooperate, we expect this case to become active and productive during 1969.
